**IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF PENNSYLVANIA**

**IN RE WAWA, INC. DATA SECURITY  
LITIGATION**

**Case No. 19-6019-GEKP**

**Class Action**

*This document relates to: Consumer Track*

**SETTLEMENT AGREEMENT**

This Settlement Agreement (“Agreement”) is entered into this 9th day of February, 2021, by and between the Consumer Track Plaintiffs in the above-captioned class action and the Kaster Laster New Jersey state court class action described below (collectively the “Consumer Track Action”), individually and on behalf of the Settlement Class (as defined in Paragraph 28 below), by and through Interim Co-Lead Counsel for the Consumer Track, and Defendant Wawa, Inc. (“Wawa”).

**WHEREAS**, on December 19, 2019, Wawa disclosed a data security incident involving Wawa’s computer systems and payment card transactions at Wawa’s stores and fuel dispensers from March 4, 2019 until December 12, 2019 that allowed malware to access payment card information, including credit and debit card numbers, card expiration dates, and cardholder names used at Wawa stores and fuel dispensers during that time frame (the “Data Security Incident”);

**WHEREAS**, Wawa customers filed several separate class actions against Wawa on behalf of themselves and other Wawa customers relating to the Data Security Incident announced by Wawa;

**WHEREAS**, on January 8, 2020, Chief Judge Juan Sanchez entered an order

consolidating cases filed by consumers alleging harm resulting from the Wawa Data Security Incident in the Eastern District of Pennsylvania (Dkt. 9), and Judge Gene E.K. Pratter presides over the consolidated actions, captioned as *In re Wawa, Inc. Data Security Litigation*, Case No. 19-6019-GEKP;

**WHEREAS**, on June 12, 2020, Judge Pratter entered orders appointing Interim Co-Lead Class Counsel for the proposed class of Consumer Plaintiffs (Dkt. 120) and setting a schedule for the case, including for the filing of a Consolidated Complaint in the Consumer Track Action (Dkt. 119);

**WHEREAS**, on July 27, 2020, Plaintiffs (as defined in Paragraph 18 below) filed a Consumer Plaintiffs' Consolidated Class Action Complaint (Dkt. 132) (hereinafter "Complaint") that alleges, among other things, that Wawa failed to implement adequate data security measures to protect the sensitive, non-public payment card information of its customers;

**WHEREAS**, the Complaint further alleges that, as a result of the Data Security Incident (as defined in Paragraph 8 below), class members have experienced harm and will continue to experience harm including fraudulent credit and debit card transactions and other fraud related to their accounts, and Plaintiffs sought to remedy those harms by seeking, among other things, reimbursement of out-of-pocket losses and compensation for time spent in response to the Data Security Incident, as well as injunctive relief entailing substantial improvements to Wawa's data security systems;

**WHEREAS**, Plaintiffs and Wawa (collectively the "Settling Parties") have engaged in substantial arm's-length negotiations in an effort to resolve all claims that have been, or could have been, asserted in the Complaint, including through mediation with the Honorable Diane M. Welsh (Ret.) of JAMS as well as through numerous telephone conferences and exchanges of

information, including a substantial production of documents from Wawa, which negotiations resulted in this Settlement Agreement;

**WHEREAS**, Wawa has denied and continues to deny that it engaged in any wrongdoing of any kind, or that it violated or breached any law, regulation, or duty owed to the proposed Settlement Class defined in Paragraph 28, and further denies that the Plaintiffs or any class members have suffered damages sufficient to support a cause of action, and denies that Wawa has any liability as a result of any and all allegations in the Complaint, and denies that it would be possible or feasible to certify a class for litigation purposes as opposed to for settlement purposes;

**WHEREAS**, Wawa has entered into this Agreement solely to reach a settlement with its valued customers and to avoid the further expense, inconvenience, and distraction of burdensome and protracted litigation, and to thereby finally resolve this dispute with Plaintiffs and the Settlement Class;

**WHEREAS**, Wawa has provided to Plaintiffs' Counsel sufficient information and documents to confirm that the terms herein are fair, reasonable, and adequate to Plaintiffs and Class Members; and

**WHEREAS**, Plaintiffs and Class Counsel (as defined in Paragraph 19) have concluded that it is in the interest of all members of the proposed Settlement Class to finally resolve their claims against Wawa, and that the terms of this Agreement are in the best interest of the proposed Settlement Class and are fair, reasonable, and adequate;

**NOW, THEREFORE**, in consideration of the promises, agreement, covenants, representations, and warranties set forth herein, and other good and valuable consideration provided for herein, the Settling Parties agree to a full, final and complete settlement of the

Consumer Track Action on the following terms and conditions.

Wawa hereby agrees not to object to or oppose any motion by Plaintiffs consistent with this Settlement Agreement to certify for purposes of settlement only that the Settlement Class meets the requirements of Rules 23(a) and 23(b)(3) of the Federal Rules of Civil Procedure, and, subject to Court approval, that the Settlement Class set forth in Paragraph 28 shall be certified for settlement purposes. By agreeing not to object to or oppose any such motion, Wawa does not agree that the Settlement Class meets the Rule 23 requirements for purposes of a litigation class, and reserves all rights to oppose the certification of any class in the event this Settlement is not finally approved.

35. Wawa shall cooperate to the extent reasonably necessary in connection with Plaintiffs' Counsel's motions for Preliminary Approval and Final Approval of the Settlement and related matters, including with respect to objections and appeals if necessary, to effectuate and implement the terms and conditions of this Agreement.

### **III. BENEFITS TO SETTLEMENT CLASS MEMBERS**

36. **Compensation to Settlement Class Members and Plan of Allocation.** Subject to the terms of this Settlement Agreement, Wawa shall provide the following compensation to Settlement Class Members who submit a valid Claim Form as properly determined by the process described herein. Each Class Member is entitled to compensation in one Tier only and will be required to select a Tier when a claim is submitted. If a Class Member submits multiple Claim Forms for more than one Tier, the higher tier Claim Form will determine the amount of benefit the Class Member receives. Each Class Member will be entitled to one payment in their respective Tier, regardless of the number of payment cards they used at Wawa during the Period of the Data Security Incident, and regardless of the number of transactions that occurred within that time period.

#### **a. Tier One**

- i. Tier One will consist of Settlement Class Members who made a credit or debit card transaction at any Wawa convenience store or gas pump location between March 4, 2019 and December 12, 2019.
- ii. Tier One claimants must complete the Tier One Claim Form attached hereto as Exhibit "A" and as required by the Claim Form: (a) submit with the Claim Form Reasonable Proof of a Transaction at Wawa; and (b) attest under penalty of perjury on the Claim Form that they spent some amount of time after March 4, 2019 monitoring their accounts as a result of the Data Security Incident.
- iii. Class Members may sufficiently attest to spending time monitoring their accounts by checking a box on the Claim Form and signing the Claim Form under penalty of perjury.

- iv. Tier One claimants need not have experienced an actual or attempted fraudulent transaction to be eligible for Tier One relief.
- v. Any claimant who submits a Tier One Claim Form that does not contain sufficient requisite proof will be notified by the Claims Administrator of any deficiencies and given a reasonable opportunity to cure those deficiencies.
- vi. Tier One claimants will be entitled to a **\$5 Wawa Gift Card**. Total claims in Tier One are subject to a **\$6 million cap** and a **\$1 million floor**. If the total value of Tier One claims does not reach the \$1 million floor, the value of Wawa Gift Cards distributed to Tier One claimants will be increased on a *pro rata* basis such that the \$1 million floor is reached. If the total value of valid claims in Tier One exceeds \$6 million, the value of Wawa Gift Cards distributed to Tier One claimants will be decreased on a *pro rata* basis such that the aggregate of all Wawa Gift Cards in Tier One totals \$6 million.

**b. Tier Two**

- i. Tier Two will consist of Settlement Class Members who experienced an actual or attempted fraudulent transaction after March 4, 2019 on a credit or debit card they used at any Wawa convenience store or gas pump location between March 4, 2019 and December 12, 2019.
- ii. Tier Two claimants must complete the Tier Two Claim Form attached hereto as Exhibit “A” and as required by the Claim Form: (a) submit with the Claim Form Reasonable Proof of a Transaction at Wawa; (b) submit reasonable proof of an actual or attempted fraudulent transaction on the same card account post-dating the Wawa purchase, or a reversal of a fraudulent transaction that occurred after the date of purchase; and (c) attest under penalty of perjury by check box and signing the Claim Form that they spent time to monitor their accounts or spent time otherwise associated with the fraudulent transaction.
- iii. Reasonable forms of proof of an actual or attempted fraudulent transaction or reversal of a fraudulent transaction may include a bank statement, credit card statement or a screen shot from a bank account or credit card account on a website or mobile app showing a reversal of a fraudulent transaction, police report of a reported fraudulent transaction, email or other correspondence to or from a bank or credit card company about a disputed or fraudulent transaction, or any other reasonable documentation that demonstrates a transaction was fraudulent or reversed after having been recognized, or identified by the customer or a bank or credit card company as potentially fraudulent.
- iv. Tier Two claimants will be entitled to a **\$15 Wawa Gift Card**. Total claims in Tier Two are subject to a **\$2 million cap** and no floor. If the total value of valid claims in Tier Two exceeds \$2 million, the value of Wawa Gift Cards distributed to Tier Two claimants will be decreased on a pro rata basis such that

the aggregate of all Wawa Gift Cards in Tier Two totals \$2 million.

- v. Any claimant who submits a Tier Two claim that does not contain all of the requisite proof for Tier Two will be notified by the Claims Administrator and given a reasonable opportunity to cure the deficiencies. A claimant who, after a reasonable opportunity to cure, can only demonstrate their eligibility for membership in Tier One, will be automatically eligible for the \$5 Wawa Gift Card being made available to Tier One members, subject to the potential adjustment in Section 36(a)(vi).

**c. Tier Three**

- i. Tier Three will consist of Settlement Class Members who have actual out-of-pocket monetary damages in connection with an actual or attempted fraudulent transaction reasonably attributable to the Data Security Incident.
- ii. Tier Three claimants must complete the Tier Three Claim Form attached hereto as Exhibit “A” and as required by the Claim Form: (a) submit with the Claim Form Reasonable Proof of a Transaction at Wawa during the Period of the Data Security Incident; (b) submit reasonable proof of an actual or attempted fraudulent transaction on the same card account post-dating the Wawa purchase, or a reversal of a fraudulent transaction that occurred after the date of purchase; and (c) submit reasonable proof of the resulting actually incurred out-of-pocket expense(s).
- iii. Out-of-pocket expenses may include, but are not limited to, actual money spent or lost because of unreimbursed fraud charges, bank fees, replacement card fees, late fees from transactions with third parties that were delayed due to fraud or card replacements, credit freeze fees, parking expenses or transportation expenses for trips to a financial institution to address fraudulent charges or receive a replacement payment card, and other expenses reasonably attributable to the Data Security Incident.
- iv. Reasonable proof of an actual or attempted fraudulent transaction is as described in Tier Two above.
- v. Reasonable proof of actually incurred out-of-pocket damages may include a receipt, bank statement or credit card statement, screen shot from a bank account or credit card account, email or other correspondence with a merchant or vendor, or any other reasonable form of documentary proof that establishes the existence, date and amount of actual out-of-pocket monetary damages reasonably attributable to the Data Security Incident.
- vi. Tier Three claimants will be entitled to a cash payment (not a Wawa Gift Card) equal to their actually incurred out-of-pocket expenses up to **\$500**. Total claims in Tier Three are subject to a **\$1 million cap** and no floor. If the total value of

valid claims in Tier Three exceeds \$1 million, the amount of individual distributions to Tier Three claimants will be decreased on a pro rata basis such that the aggregate of all Tier Three claims totals \$1 million.

- vii. Any claimant who submits a Tier Three claim that does not contain all of the requisite proof for Tier Three and who, after a reasonable opportunity to cure, can only demonstrate their eligibility for membership in Tier One or Tier Two, will be automatically eligible for the Wawa Gift Card being made available to members of the Tier in which the claimant can demonstrate membership.

37. In order to be timely, Settlement Class Members must submit their claims by the Claims Filing Deadline.

38. **Injunctive Relief.** Wawa acknowledges that providing benefits to its valued customers, including those in the Settlement Class, was a factor in Wawa's decision to strengthen its data security systems to minimize the likelihood of future data security incidents which could affect Wawa customers. By point of reference, at a Board meeting in February 2020 addressing the Data Security Incident, the Wawa Board authorized \$25 million to improve Wawa's data security posture. To date, more than \$20 million has been committed or spent. Wawa further acknowledges that it would not have agreed to have the actions reflected in this Settlement Agreement imposed as a court order in the absence of the filing of the Consumer Track Action (including the pre-consolidation Complaints).

39. The Parties agree that the injunctive relief set forth below and Wawa's improvements to its data security posture is valued at no less than \$35 million.

40. For a period of two years following the Effective Date of the Settlement, Wawa agrees to:

- a. Retain a qualified security assessor on an annual basis to assess compliance with PCI-DSS requirements and issue a Report on Compliance that evidences compliance with all such requirements;
- b. Conduct annual penetration testing and remediate critical vulnerabilities or implement compensating controls where feasible;

- c. Operate a system that is designed to encrypt payment card information and complies with Europay, Mastercard, and Visa (“EMV”) security procedures at the point of sale terminals in Wawa stores;
- d. Operate a system that implements EMV security procedures at the point of sale terminals at Wawa fuel pumps; and
- e. Maintain written information security programs, policies, and procedures.

41. The foregoing measures will be the subject of informal discovery conducted by Class Counsel, which may be by offers of proof from Wawa’s Counsel. Wawa’s Counsel shall provide Class Counsel with semi-annual updates (or less frequently if agreed upon by Class Counsel) during the two-year period in which it will implement these measures in accordance with this Agreement.

#### **IV. SETTLEMENT ADMINISTRATION**

42. The Parties have agreed to request that the Court appoint KCC LLC as the Settlement Administrator.

43. The Settlement Administrator will cooperate with and assist Wawa and Class Counsel with the Notice Program to be implemented in accordance with the terms of this Settlement Agreement and any orders of the Court.

44. The Settlement Administrator will administer and update the Settlement Website in accordance with the terms of this Settlement Agreement. Class Counsel and Wawa’s Counsel will agree on the format and content of the Settlement Website, and may agree to add information to the Settlement Website, so that it provides Class Members with accurate and timely information.

45. The Settlement Administrator will conduct Claims Administration services in accordance with the terms of the Settlement Agreement and as is typical in a settlement of this

nature. The Settlement Administrator shall also conduct any additional processes jointly agreed to by Class Counsel and Wawa's Counsel, subject to the Court's supervision and direction as circumstances may require.

46. The Settlement Administrator shall, among other things: administer the claims submission and review process; document the number and type of claims submitted by Settlement Class Members; provide an automated call center that may include an option to request to be put in contact with one of the Interim Lead Counsel firms for more information and that will give callers the Wawa customer service number to call with any non-settlement related inquiries to Wawa's customer service center; identify and follow up on deficient claims to give class members an opportunity to provide the necessary information; reject claims that appear to be duplicative based on the name, address, email address, and documentation provided; report to the Parties as requested regarding claims administration; permit the Parties to review and obtain supporting documentation as needed; update the Settlement Website and otherwise communicate with Class Members regarding claims administration procedures and deadlines; and prepare reports of its proposed and final determinations as to each claim in each settlement tier.

47. The Settlement Administrator may, at any time, request from each claimant, in writing, additional information as the Settlement Administrator may reasonably require in order to evaluate the claim, e.g., documentation requested on the Claim Form, and information regarding the claimed fraudulent transactions. For all claims, the Settlement Administrator's initial review will be limited to a determination of whether the claim is duplicative of another claim.

48. Upon receipt of an incomplete or unsigned Claim Form or a Claim Form that is not accompanied by sufficient documentation to determine whether the claim is facially valid,

the Settlement Administrator shall request additional information from the claimant and give the claimant thirty (30) days to cure the defect before rejecting the claim. The Settlement Administrator shall request any Claim Form supplementation within thirty (30) days of receipt of such Claim Form. In the event of unusual circumstances interfering with compliance with the 30-day cure period, the claimant may request and, for good cause shown (illness, military service, absence from the United States, delivery failures, lack of cooperation of third parties in possession of required information, etc.), shall be given a reasonable extension of the 30-day deadline in which to comply. However, in no event shall the deadline be extended to later than three months after the Claims Filing Deadline without express approval from the Parties. If the defect is not cured within the required period, then the claim will be deemed invalid and Wawa shall have no obligation to pay the claim.

49. On a bi-weekly basis, the Settlement Administrator shall make the claims it has accepted and that are not duplicative available electronically to Class Counsel and Wawa's Counsel. Within one month of the Claims Filing Deadline, the Settlement Administrator shall make all such claims available to Class Counsel and Wawa's Counsel. Class Counsel shall undertake a reasonable review of each claim to determine whether it meets the requirements of this Settlement Agreement, contains all of the required information on the Claim Form, and provides what appears to be the required documentation. Class Counsel may reject as invalid any claim that does not meet the foregoing requirements by notifying the Settlement Administrator and Wawa's Counsel. Within 30 days of the Claims Filing Deadline, Class Counsel shall then certify to Wawa's Counsel that any claims not rejected meet the requirements of this paragraph. Wawa's Counsel may audit any or all of the claims so certified and may, within 30 days after Class Counsel's certification, raise issues with any claims for discussion

with Class Counsel. The parties shall meet and confer in good faith to resolve any disputed claims and shall, within 75 days after the Claims Filing Deadline either: (a) inform the Settlement Administrator of which accepted claims should be rejected; or (b) seek a ruling from the Court on any remaining disputed claims. The accepted claims not rejected by this process shall be the “Approved Claims.” The Parties mutually agree to extend these deadlines if the circumstances dictate that a reasonable extension is warranted.

50. Within one month after Class Counsel and Wawa’s Counsel complete the process above, the Settlement Administrator shall provide Class Counsel and Wawa’s Counsel with a final list of the Approved Claims for each Tier together with each approved claimant’s name, address, email address, and access to the Claim Form and related documentation submitted by the claimant. Wawa, the Settlement Administrator, and the third-party vendor assisting Wawa with distribution of the Wawa Gift Cards at Wawa’s expense shall work together to facilitate a commercially reasonable format for the transmission of this data. The Parties may mutually agree to extend this deadline if the circumstances dictate that a reasonable extension is warranted.

51. Within thirty (30) days of receiving the final report of approved claims for Tier One and Tier Two, Wawa will: (a) at its expense cause the Wawa Gift Cards to be distributed by email to those Settlement Class Members in Tier One and Tier Two on the final report of approved claims; and (b) make a payment as directed by the Settlement Administrator in the aggregate total amount of the accepted and approved Tier Three claims.

52. The Settlement Administrator will mail checks to Settlement Class Members in Tier Three within thirty (30) days of receiving payment from Wawa.

## **V. NOTICE TO SETTLEMENT CLASS MEMBERS**

53. Subject to Court approval, the Parties agree that the following Notice Program provides reasonable notice to the Settlement Class.

54. Wawa represents that neither it nor its agents have information sufficient to identify and provide mail or email notice to Settlement Class Members.

55. As part of the Notice Program, the following events shall occur on or before the Notice Issuance Date:

- a. Long Form Notice as set forth in Exhibit “B,” as approved or modified by the Court, will be posted on the Settlement Website. The Long Form Notice shall contain links to the Claim Forms and other information about how Settlement Class Members can submit claims. In addition to being linked in the Long Form Notice, the Claim Form and all Settlement documents will additionally be posted as standalone documents on the Settlement Website. Wawa will also post a link to the Settlement Website on its website during the claims process period.
- b. Wawa will post signs announcing the Settlement at all Wawa store locations, both in-store (at or near the Point of Sale payment card machines) and at or near the payment card equipment on all fuel dispensers, for a period of four consecutive weeks. The content and layout of the signs shall be as attached in Exhibit “C” (the “Store Notice”). The Store Notice will include a QR or other code that can be scanned and will direct customers to the Settlement Website and Long Form Notice, which will contain hyperlinks to the Claim Forms, when scanned using a smartphone or other device that recognizes QR codes.
- c. Wawa will issue a press release, to, at minimum, reach the geographic region of all states in which Wawa has locations, at its expense, on behalf of Wawa, the Plaintiffs and the Settlement Administrator, announcing the Settlement and directing Settlement Class Members to the Settlement Website, complete with a link to the Settlement Website. The content of the press release will be as set forth in Exhibit “D,” as approved or modified by the Court (the “Press Release”).

## **VI. OPT-OUT PROCEDURE**

56. Any person or entity in the Settlement Class shall have the right to opt out of the

Settlement Class and not participate in the Settlement, as provided for in the Preliminary Approval Order. Requests to opt out of the Settlement Class (“Opt-Out Requests”) can only be made on behalf of a single person or entity who is in the Settlement Class; mass exclusion requests shall not be valid.

57. In order to be timely, Opt-Out Requests must be postmarked on or before the Opt-Out Deadline and addressed to the Settlement Administrator. Opt-Out Requests postmarked or otherwise submitted after the Opt-Out Deadline will not be valid.

58. The Long Form Notice shall inform each person in the Settlement Class of the right to opt out of the Settlement Class and not to be bound by this Settlement Agreement if, by the Opt-Out Deadline, the individual completes, signs, and timely submits an Opt-Out Request to the Settlement Administrator at the address set forth in the Notice.

59. For an Opt-Out Request to be valid, it must:

- a. State the full name, address, telephone number, and email address (if any) of the person or entity who is opting out;
- b. Contain the personal and original signature of the person or entity opting out (or the original signature of a person previously authorized by law, such as a trustee, guardian or person acting under a power of attorney, to act on behalf of the person or entity who is opting out); and
- c. Clearly state the person’s or entity’s intent to be excluded from the Settlement Class and to waive all rights to the benefits of the Settlement.

60. The Settlement Administrator shall promptly inform Class Counsel and Wawa of all Opt-Out Requests received and provide a copy of each Opt-Out Request to Class Counsel and Wawa’s Counsel.

61. If a person or entity submits both a Claim Form and a request to opt out, the person or entity will be deemed to have waived and withdrawn the request to opt out and shall be treated as a Settlement Class Member for all purposes. The Settlement Administrator will notify

the Settlement Class Member.

62. All persons and entities in the Settlement Class who submit timely and valid Opt-Out Requests in the manner set forth in Paragraph 59 above, referred to herein as “Opt-Outs,” shall receive no compensation under the Settlement, shall gain no rights from the Settlement, shall not be bound by the Settlement and the Release, and shall have no right to object to the Settlement.

63. All Settlement Class Members who do not request to opt out of the Settlement Class in the manner set forth in Paragraph 59 above shall be bound by the terms of this Settlement Agreement, including the Release contained below in Section XIII, and any judgment entered thereon, regardless of whether the Settlement Class Member files a Claim Form or receives any benefits from the Settlement.

64. An Opt-Out Request that does not fully comply with the requirements set forth in Paragraph 59 above, or that is not timely submitted or postmarked, shall be invalid and the person submitting such request shall be treated as a Settlement Class Member and be bound by this Settlement Agreement, including the Release contained herein, and any judgment entered thereon. The Settlement Administrator will notify the Settlement Class Member.

65. Within ten (10) days after the Opt-Out Deadline, the Settlement Administrator shall furnish to Class Counsel and to Wawa’s Counsel a complete list of all timely and valid Opt-Out Requests (the “Opt-Out List”).

66. The Opt-Out List shall be filed with the Court in connection with Plaintiffs’ motion for Final Approval of the Settlement and shall be referenced in the Final Judgment.

## **VII. OBJECTIONS TO THE SETTLEMENT**

67. Any Settlement Class Member who wishes to object to the proposed Settlement

must submit a timely written and valid notice that complies with the requirements of this Agreement (an “Objection”) by the Objection Deadline.

68. To be deemed valid, the Objection must meet the following requirements:
- a. Contain the objecting Settlement Class Member’s full name, address, telephone number, and email address (if any);
  - b. Contain the objecting Settlement Class Member’s signature;
  - c. Set forth information identifying the objector as a Settlement Class Member, including proof that the objector is within the definition of the Settlement Class;
  - d. In accordance with Fed. R. Civ. P. 23(e)(5)(A), the Objection must “state with specificity the grounds for the objection”;
  - e. Set forth any legal support for the Objection that the objector believes is applicable;
  - f. Include copies of any documents the objector wishes to submit in support of the Objection;
  - g. In accordance with Fed. R. Civ. P. 23(e)(5)(A), the Objection “must state whether it applies only to the objector, to a specific subset of the class, or to the entire class”;
  - h. Identify all counsel representing the objector (if any);
  - i. State whether the objector and/or the objector’s counsel intend to appear at the Final Approval Hearing; and
  - j. Include a list, including case name, court, and docket number, of all other cases in which the objector and/or the objector’s counsel has filed an objection to any proposed class action settlement in the past five (5) years.

69. A Settlement Class Member seeking to object must send the objection as described in paragraph 68 above to: (a) the Court; and (b) the Settlement Administrator. The Settlement Administrator shall promptly provide copies of all objections received to Class Counsel and Counsel for Wawa. If Counsel for Wawa or Class Counsel receive an objection that does not appear to have been sent to the other or the Settlement Administrator, said counsel shall

send it to the other counsel and to the Settlement Administrator.

70. In order to be timely, objections must be postmarked on or before the Objection Deadline.

71. The Parties will have the same right to seek discovery from any objecting Settlement Class Member as they would if the objector was a party in the Consumer Track Action, including the right to take the objector's deposition.

72. If a person in the Settlement Class who objects to the settlement also submits a request to opt out, either before or after the objection, the objection will be deemed withdrawn and void. The Settlement Administrator will notify the person.

73. Any Settlement Class Member who fails to comply in full with the requirements for objecting set forth in this Settlement Agreement, the Notice, and any applicable orders of the Court shall waive any rights he or she may have to raise any objection to the Settlement, shall not be permitted to object to the Settlement at the Final Approval Hearing, shall be foreclosed from seeking any review of the Settlement or the terms of the Settlement Agreement by appeal or other means, and shall be bound by the Settlement Agreement and by all proceedings, orders, and judgments in the Consumer Track Action.

74. The exclusive means for any challenge to the Settlement shall be through the objection provisions set forth in this section. Without limiting the foregoing, any challenge to the Settlement, the order preliminarily approving the Settlement, the order granting Final Approval of the Settlement, or the Final Judgment to be entered upon Final Approval shall be pursuant to appeal under the Federal Rules of Appellate Procedure and not through any other form of challenge.

#### **VIII. ATTORNEYS' FEES, COSTS, AND SERVICE AWARDS**

**A. Service Awards**

75. Class Counsel will petition the Court for a \$1,000 service award (“Service Award”) for each of the thirteen Class Representatives named in the Consolidated Class Action Complaint. The Service Awards are intended to recognize the Class Representatives for their time and efforts in the litigation and commitment on behalf of the Settlement Class.

76. Class Counsel will also petition for a \$1,000 Service Award for plaintiff Kasan Laster, who was the proposed Class Representative in the consumer action relating to the Data Security Incident brought against Wawa in the Superior Court of New Jersey Law Division – Burlington County. *See Laster v. Wawa, Inc.*, No. BUR-L-000037-20. The *Laster* Action was stayed pending the resolution of this federal case. Upon entry of a Final Judgment in this case, the parties in the *Laster* Action will jointly seek dismissal of that case with prejudice.

**B. Attorneys’ Fees and Costs**

77. Class Counsel will petition the Court for an award of attorneys’ fees, litigation expenses, Service Awards, and Settlement Administration costs, not to exceed \$3,200,000 in the aggregate (the Order granting such award or any portion thereof is herein referred to as the “Fees and Costs Award.”).

78. Wawa shall cooperate with Class Counsel, if and as necessary, in providing information Class Counsel may reasonably request from Wawa in connection with preparing the petition.

79. If approved by the Court, the \$3,200,000 amount will be paid by Wawa as directed by the Court and set forth in Section IX below.

80. Class Counsel shall have the discretion to allocate any Court-approved attorneys’ fees and expenses among themselves and the other Plaintiffs’ firms that performed common

benefit work in the Consumer Track.

81. Wawa will also be responsible for all costs associated with its obligations to: (i) distribute Wawa Gift Cards to claimants as described in Paragraph 36; (ii) create signs and QR codes and post them at all Wawa locations as described in Paragraph 55; (iii) issue a press release as described in Paragraph 55; and (iv) cooperate with Class Counsel and the Settlement Administrator in implementing the terms of this Agreement, including, but not limited to, cooperating with regard to notice to Settlement Class Members in compliance with the Notice Program.

82. The Parties agree that Wawa will not in any event or circumstance be required to pay any amounts to Plaintiffs or Class Counsel for Service Awards and attorneys' fees, costs, and expenses in excess of the amounts identified above in Paragraphs 36 and 77.

83. The Parties further agree that the amount(s) of the Service Awards, and of any award of attorneys' fees, costs, or expenses, are intended to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement. No order of the Court, or modification, reversal, or appeal of any order of the Court, concerning the amount(s) of the service awards or any attorneys' fees, costs, or expenses, ordered by the Court to be paid to Class Counsel or Plaintiffs, shall affect whether the Final Judgment is final, or constitute grounds for cancellation or termination of the Settlement.

#### **IX. PAYMENTS BY WAWA**

84. Within ten (10) business days of entry of an order by the Court granting Preliminary Approval of the Settlement and in the manner directed by Plaintiffs' Counsel, Wawa shall pay the sum of \$73,885.00 (the "First Deposit") to the Settlement Administrator to cover Settlement Administration costs as may be approved by the Court.

85. Within twenty (20) days of the Effective Date or twenty (20) days of the Fees and Costs Award, whichever is later, Wawa shall wire-transfer the difference between the First Deposit and the amount approved by the Fees and Costs Award, but in no event more than \$3.2 million minus First Deposit (the “Final Fees and Costs Payment”) to an account as directed by Interim Co-Lead Counsel. The Second Deposit will be used to pay up to a total of \$3,200,000 (inclusive of the \$73,885.00 in the paragraph above) in Service Awards, attorneys’ fees, costs, expenses and Settlement Administration costs as may be approved by the Court.

86. Within twenty (20) business days of receiving the final report from the Settlement Administrator of valid Tier Three claims as described in Paragraph 50, Wawa will wire-transfer the total amount to be paid to Tier Three claimants to an account as directed by Interim Lead Counsel. The funds will be distributed to the Settlement Administrator to valid Tier Three Claimants.

#### **X. SETTLEMENT APPROVAL PROCESS**

87. As soon as practicable after execution of this Settlement Agreement, Plaintiffs shall file a motion requesting entry of a Preliminary Approval Order in the form attached as Exhibit “E” that:

- a. Preliminarily approves the Settlement;
- b. Preliminarily certifies the Settlement Class for settlement purposes only, pursuant to Paragraph 34;
- c. Appoints Class Counsel;
- d. Appoints Plaintiffs as the Class Representatives;
- e. Finds that the proposed Settlement is sufficiently fair, reasonable, and adequate to warrant providing notice to Settlement Class Members;
- f. Appoints the Settlement Administrator in accordance with the provisions of Section IV and directs it to conduct Claims Administration services in

accordance with the provisions of this Settlement Agreement;

- g. Approves and directs the Notice Program to inform Settlement Class Members of the Settlement;
- h. Approves the Opt-Out and Objection procedures as detailed in this Settlement Agreement;
- i. Schedules a Final Approval Hearing at least 150 days after the Notice Date to consider the fairness, reasonableness, and adequacy of the proposed Settlement and whether it should be finally approved by the Court; and
- j. Contains any additional provisions agreeable to the Parties that might be necessary or advisable to implement the terms of this Settlement Agreement.

88. Within ten (10) days of the filing of the Motion for Preliminary Approval, or such earlier time as this Settlement Agreement is filed with the Court, Wawa shall provide notice to state Attorneys General or others as required by the Class Action Fairness Act, 28 U.S.C. § 1715(b).

#### **XI. FINAL APPROVAL HEARING AND FINAL JUDGMENT**

89. Plaintiffs shall request that a Final Approval Hearing be scheduled to consider the Settlement, which shall be at least 150 days from the Notice Issuance Date.

90. Plaintiffs shall, following entry by the Court of an order granting Preliminary Approval of this Settlement and implementation of the Notice Program, file a motion for Final Approval of the Settlement seeking entry of an order granting Final Approval and entering Final Judgment in a form substantially similar to the form attached hereto as Exhibit “F”. The proposed order granting Final Approval and the Final Judgment shall:

- a. Approve finally this Agreement and its terms as being a fair, reasonable, and adequate settlement as to the Settlement Class Members within the meaning of Rule 23 of the Federal Rules of Civil Procedure, and direct its consummation according to its terms and conditions;
- b. Determine that the Notice Program constituted, under the circumstances, the most effective and best practicable notice of this Settlement and the Fairness

Hearing, and constituted due and sufficient notice for all other purposes to all persons entitled to receive notice;

- c. Confirm the appointment of Plaintiffs as Class Representatives and Class Counsel as Co-Lead Class Counsel;
- d. Direct that the Consumer Track Action be dismissed with prejudice and, except as explicitly provided for in this Agreement, without costs;
- e. Order the Release by all Releasors of all Released Claims against all Released Parties;
- f. Permanently enjoin all Releasors from pursuing any Released Claims against any Released Parties in any litigation or other forum;
- g. Reserve to the United States District Court for the Eastern District of Pennsylvania exclusive jurisdiction over the Settlement, this Agreement, enforcement of Court orders relating to the Settlement and this Agreement, and the administration and consummation of this Settlement; and
- h. Determine under Federal Rule of Civil Procedure 54(b) that there is no just reason for delay, and direct that the final judgment of dismissal as to Wawa shall be entered.

## **XII. TERMINATION OF THIS SETTLEMENT AGREEMENT**

91. Each Party shall have the right (but not the obligation) to terminate this Settlement Agreement if: (a) the Court denies preliminary approval of the Settlement; (b) the Court denies Final Approval of the Settlement; (c) the Court denies entry of the Final Judgment or enters Final Judgment that differs materially from the Final Judgment contemplated by this Settlement Agreement; or (d) the Final Judgment does not become final and the Effective Date does not occur because a higher court reverses final approval by the Court.

92. Wawa shall have the right (but not the obligation) to terminate this Settlement if the total number of Opt-Outs exceeds 2,000 members of the Settlement Class. The date for purposes of calculating the occurrence of the condition permitting termination under this paragraph shall be ten (10) days after the Opt-Out Deadline or ten (10) days after any opt-outs

are allowed by the Court or agreed upon by the parties even though they were submitted after the Opt-Out Deadline.

93. If a Party elects to terminate this Settlement under this Section, that Party must provide written notice to the other Party's counsel, by email within twenty (20) days of the occurrence of the condition(s) permitting termination or at any time when the condition(s) permitting termination continues to exist.

94. Nothing shall prevent Plaintiffs or Wawa from appealing or seeking other appropriate relief from an appellate court with respect to any denial by the Court of final approval of the Settlement. In the event such appellate proceedings result, by order of the appellate court or by an order after remand or combination thereof, in the entry of an order(s) whereby the Settlement is approved in a manner substantially consistent with the substantive terms and intent of this Settlement Agreement, and dismissing all claims in the Consumer Track Action with prejudice, and otherwise meeting the substantive criteria of the Settlement Agreement for approval of the Settlement, such order shall be treated as a Final Approval Order.

95. If the Settlement Agreement is terminated or disapproved, or if the Effective Date does not occur for any reason, then: (i) this Settlement Agreement and all orders entered in connection therewith shall be rendered null and void; (ii) the terms and provisions of the Settlement Agreement shall have no further force and effect with respect to the Parties and shall not be used in the Consumer Track Action or in any other proceeding for any purpose, and any judgment or order entered by the Court in accordance with the terms of the Settlement Agreement shall be treated as vacated, *nunc pro tunc*; and (iii) all Parties shall be deemed to have reverted to their respective positions and status in the Consumer Track Action as of September 14, 2020 (the day before the settlement in principle was reached at the parties' mediation) and

shall jointly request that a new case schedule be entered by the Court.

### **XIII. RELEASE**

96. Upon the Effective Date, each Releasor shall release, discharge, and covenant not to sue Wawa, its past or present parents, subsidiaries, divisions, affiliates, stockholders, officers, directors, insurers, employees, agents, attorneys, and any of their legal representatives (and the predecessors, heirs, executors, administrators, successors, and purchasers of each of the foregoing) (“Released Parties”) from all claims, demands, judgments, actions, suits and/or causes of action, whether federal or state, known or unknown, asserted or unasserted, regardless of legal theory, arising in any way from or in any way related to the facts, activities, or circumstances alleged in the Consolidated Class Action Complaint or arising from or related in any way to the Data Security Incident, up to the Effective Date of the Settlement Agreement, but excluding any claims by any Wawa employee, former Wawa employee or dependent thereof that a social security number or bank account used for payroll direct deposit of the Wawa employee, former Wawa employee, or dependent thereof has been compromised (the “Release” or “Released Claims”).

97. Each Releasor hereby expressly waives and releases, upon this Settlement Agreement becoming final, any and all provisions, rights, or benefits conferred by Section 1542 of the California Civil Code, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Each Releasor shall further be deemed to have, and shall have, waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable or equivalent to Section 1542 of the

California Civil Code. Each Named Plaintiff and Settlement Class Member may hereafter discover facts other than or different from those that it, he, or she knows or believes to be true with respect to the Released Claims. Nevertheless, each Named Plaintiff and Settlement Class Member hereby expressly waives and fully, finally, and forever settles and releases, upon this Settlement becoming final, the Released Claims, whether any Released Claim is known or unknown, suspected or unsuspected, contingent or non-contingent, concealed or hidden, and also forever waives and relinquishes any and all rights and benefits existing under any law or principle of law in any jurisdiction that would limit or restrict the effect or scope of the provisions of the Release set forth above without regard to the subsequent discovery or existence of other different facts.

98. The Release set forth herein shall not release any claims, whether pending or not, whether known or unknown, for product liability, personal injury, breach of warranty, violation of the Uniform Commercial Code, civil rights, or any other claims whatsoever that were not or could not have been alleged in the Consumer Track Action that are not related to the subject matter of the Consumer Track Action. Nor shall the Release constitute a release of claims arising out of any breach of the terms of this Settlement Agreement by Wawa.

99. Upon the Effective Date, Wawa shall release Plaintiffs, Settlement Class Members, and their counsel from any claims relating to the institution, prosecution, or settlement of the Consumer Track Action, except for claims arising out of breach or enforcement of this Agreement.

#### **IV. MISCELLANEOUS PROVISIONS**

100. The Parties acknowledge that this Settlement Agreement is entered into and will be consummated as contemplated herein at a time of unprecedented uncertainty arising from the

global COVID-19 pandemic. The pandemic has had a dramatic impact on Wawa and the Class Members. The Parties acknowledge that the future course of the pandemic is unknown and could present challenges to the procedures contemplated by this Settlement Agreement. In the event an obligation or process contemplated by this Settlement Agreement cannot feasibly be performed because of the pandemic and its related effects, the Parties shall discuss it as contemplated below regarding dispute resolution, with both Wawa and the Consumer Plaintiffs having the right to seek relief from the Court.

101. The Parties agree that any dispute relating to this Settlement Agreement will be presented to and discussed between the Parties and their counsel in the first instance. If the Parties and their counsel reach an impasse, the matter shall be presented to and discussed with the Honorable Diane M. Welsh (Ret.) of JAMS. In the event an impasse remains after such discussions, any disputes will be resolved by the Court.

102. The United States District Court for the Eastern District of Pennsylvania shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or regarding the applicability of this Agreement, subject to the dispute resolution provision set forth in Paragraph 101.

103. This Agreement shall be governed by and interpreted according to the substantive laws of Pennsylvania, without regard to its choice of law or conflict of laws principles.

104. Nothing in this Settlement Agreement shall be construed as an admission of liability in any action or proceeding, of any kind whatsoever, civil, criminal, or otherwise, before any court, administrative agency, regulatory body, or any other body or authority, present or future, by Wawa or any Released Party.

105. This Agreement constitutes the entire agreement among Plaintiffs (and the other Releasors) and Wawa (and the other Released Parties) pertaining to the settlement of the Consumer Track Action against Wawa (and the other Released Parties) only, and supersedes any and all prior contemporaneous understandings of Plaintiffs and Wawa in connection herewith. In entering into this Agreement, Plaintiffs and Wawa have not relied upon any representation or promise made by Plaintiffs or Wawa not contained in this Agreement.

106. This Agreement may be modified or amended only by a writing executed by Plaintiffs and Wawa, subject to Court approval where required.

107. This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Releasors and Released Parties. Without limiting the generality of the foregoing: (a) each and every covenant and agreement made herein by Plaintiffs or Plaintiffs' Counsel shall be binding upon all Settlement Class Members and Releasors; and (b) each and every covenant and agreement made herein by the Released Parties shall be binding upon all Released Parties.

108. This Agreement may be executed in counterparts by Plaintiffs' Counsel and Wawa's Counsel, and an electronically-scanned (in either .pdf or .tiff format) signature will be considered an original signature for purposes of execution of this Agreement.

109. To the extent that any time period set out in this Settlement Agreement is ambiguous, said ambiguity shall be resolved by applying the conventions contained in Rule 6 of the Federal Rules of Civil Procedure.

110. The headings in this Agreement are included for convenience only and shall not be deemed to constitute part of this Agreement or to affect its construction.

111. Neither Wawa nor Plaintiffs, nor any of them, shall be considered to be the drafter

of this Agreement or any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement.

112. Nothing expressed or implied in this Agreement is intended to or shall be construed to confer upon or give any person or entity other than Class Members, Releasors, Wawa, and Released Parties any right or remedy under or by reason of this Agreement.

113. Where this Agreement requires any party to provide notice or any other communication or document to any other party, such notice, communication, or document shall be provided by electronic mail or overnight delivery to:

# **EXHIBIT B**

## UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF PENNSYLVANIA

*In re Wawa, Inc. Data Security Litigation*, No. 19-cv-6019-GEKP (E.D. Pa.)

**IF YOU USED A CREDIT OR DEBIT CARD AT ANY WAWA CONVENIENCE STORE OR FUEL PUMP BETWEEN MARCH 4, 2019 AND DECEMBER 12, 2019,  
YOU MAY BE PART OF A CLASS ACTION SETTLEMENT**

**You can access and submit a Claim Form by clicking on one of the three links in the chart below**

***A court authorized this notice. This is not a solicitation from a lawyer.***

Wawa, Inc. ("Wawa") has agreed to pay up to \$9 million in cash and Gift Cards to settle a class action lawsuit regarding a data security incident Wawa announced in December 2019. As previously announced, between March 4, 2019 and December 12, 2019 (the "Period of the Security Incident"), cybercriminals accessed Wawa's computer systems and obtained customers' cardholder information, including credit and debit card numbers, card expiration dates, and cardholder names on payment cards that were used at Wawa stores or fuel pumps during that time period (the "Data Security Incident"). This settlement resolves claims on behalf of all customers who used their credit or debit cards at Wawa during the Period of the Security Incident (the "Settlement"). In addition to the Gift Cards and monetary compensation described below, Wawa has implemented and agreed to further implement significant data security enhancements, collectively valued at no less than \$35 million. Wawa has denied the allegations made by the plaintiffs in these cases.

**Settlement Class**

The Settlement Class consists of all customers who reside in the United States and who used a credit or debit card at a Wawa convenience store or fuel pump at any time during the Period of the Security Incident. Excluded from the Class are Wawa's executive officers and the Judge to whom the Lawsuit is assigned.

**Summary of the Settlement Terms**

The Settlement provides three alternative Tiers of relief to Class Members who submit a valid Claim Form:

CATEGORY	WHO IS ELIGIBLE	WHAT YOU CAN GET	HOW TO OBTAIN IT
<b>Tier One</b>	Customers who: (a) made a credit or debit card purchase at Wawa during the Period of the Security Incident; (b) did not suffer attempted or actual fraud on their card; and (c) spent at least some time monitoring their accounts as a result of the Data Security Incident.	Can receive a <b>\$5 Wawa Gift Card</b>	<a href="http://www.WawaConsumerDataSettlement.com">www.WawaConsumerDataSettlement.com</a>
<b>Tier Two</b>	Customers who: (a) made a credit or debit card purchase at Wawa during the Period of the Security Incident; (b) can provide reasonable proof of an actual or attempted fraudulent charge on their card after that transaction; and (c) spent at least some time monitoring their accounts as a result.	Can receive a <b>\$15 Wawa Gift Card</b>	<a href="http://www.WawaConsumerDataSettlement.com">www.WawaConsumerDataSettlement.com</a>
<b>Tier Three</b>	Customers who: (a) made a credit or debit card purchase at Wawa during the Period of the Security Incident; and (b) can provide reasonable documentary proof of money	Can receive <b>cash reimbursement of up to \$500</b>	<a href="http://www.WawaConsumerDataSettlement.com">www.WawaConsumerDataSettlement.com</a>

**Questions? Call (866) 817-4934 or visit [www.WawaConsumerDataSettlement.com](http://www.WawaConsumerDataSettlement.com).**

	they lost or spent out-of-pocket in connection with an actual or attempted fraudulent transaction on the card that is reasonably attributable to the Data Security Incident.		
--	--	--	--

Class Members can receive relief from a single Tier only and may submit one claim form (regardless of the number of cards they used or transactions they made at Wawa during the Period of the Security Incident).

The Court in charge of this case still has to decide whether to approve the Settlement. If the Court approves the Settlement, Gift Cards or cash reimbursement will be sent after any appeals are resolved.

## **YOUR LEGAL RIGHTS AND OPTIONS UNDER THE SETTLEMENT**

### **Option 1: Submit a Claim Form to be Eligible for Compensation**

If you timely submit a valid Claim Form by **XXXX**, you will receive compensation. You will also give up your right to sue Wawa regarding the Data Security Incident.

### **Option 2: Exclude Yourself From the Settlement**

If you do not wish to receive compensation from the Settlement and you would like to retain the right to sue Wawa over the Data Security Incident on your own at your own expense and on an individual rather than a class basis, you will need to exclude yourself from the Class. You will get no monetary compensation from the Settlement. The deadline to exclude yourself (also called opting out) is **XXX**.

### **Option 3: Object to the Settlement**

You have a right to stay in the Class and argue in a written objection that the Settlement should not be approved. You will still be bound by the Settlement if it is approved and you will not be allowed to exclude yourself from the Settlement. The deadline to object is **XXXX**. You can also ask to speak in Court about the fairness of the Settlement.

### **Option 4: Do Nothing**

If you do nothing, you will not receive any payment. You will be bound by the Settlement's terms and will lose the right to sue Wawa regarding the Data Security Incident. All Class Members, however, will receive the benefit of Wawa's data security enhancements, regardless of whether or not they submit a Claim Form.

## **THE SETTLEMENT BENEFITS**

### **1. What financial benefits are available to class members?**

Class Members who submit valid and timely claims will be entitled to either a Wawa Gift Card or cash reimbursement of actual out-of-pocket expenses and losses.

There are three Tiers of compensation. You are entitled to compensation in only a single Tier and will be required to select the appropriate Tier when you submit a claim. You are only entitled to one payment, regardless of how many credit or debit cards you used at Wawa during the Period of the Security Incident or how many times you used your card at Wawa. In order to claim a payment, you must provide related documentation with your appropriate Tier Claim Form as set forth below.

#### **TIER ONE**

Class Members who made a credit or debit card purchase at any Wawa convenience store or fuel pump between March 4, 2019 and December 12, 2019 but experienced no actual or attempted fraudulent charge on their credit or debit card and must: (a) provide reasonable proof of such a purchase; and (b) attest that they spent some amount of time after March 4, 2019 monitoring their accounts as a result of the Data Security Incident.

**Questions? Call (866) 817-4934 or visit [www.WawaConsumerDataSettlement.com](http://www.WawaConsumerDataSettlement.com).**

Reasonable proof of purchase may include:

- A bank statement or credit card statement;
- A screen shot from a banking or credit card company website or mobile app;
- A Wawa receipt; or
- Any other reasonable proof that verifies the date of the transaction and the fact that it was at a Wawa store or fuel pump.

Tier One claimants will be entitled to a **\$5 Wawa Gift Card**. Total Tier One compensation is subject to a \$6 million ceiling and \$1 million floor. That means that if the total value of all of the Gift Cards in Tier One would be more than \$6 million, each gift card will be reduced on a *pro rata* basis so that the total value distributed is \$6 million. If the total value of all of the Gift Cards in Tier One would be less than \$1 million, the value of each Gift Card will be increased on a *pro rata* basis until the total value distributed is \$1 million.

### **TIER TWO**

Class Members who experienced an actual or attempted fraudulent transaction after March 4, 2019 on a credit or debit card they used at a Wawa convenience store or fuel pump during the Period of the Security Incident but have no out-of-pocket damages in connection with that actual or attempted fraudulent transaction are entitled to a Tier Two payment. Tier Two claimants must: (a) provide reasonable proof of a credit or debit card purchase at Wawa between March 4, 2019 and December 12, 2019; (b) provide reasonable proof of an actual or attempted fraudulent transaction on the card that occurred after that purchase; and (c) attest that they spent some amount of time after March 4, 2019 to monitor their accounts or otherwise deal with the fraudulent transaction.

Reasonable forms of proof of an actual or attempted fraudulent transaction may include:

- A bank statement or credit card statement;
- A screen shot from a bank account or credit card account on a website or mobile app;
- An email or other correspondence with the bank or credit card company;
- A police report; or
- Any other reasonable proof.

Reasonable proof may include proof of reversal of the fraudulent charge.

Tier Two claimants will be entitled to a **\$15 Wawa Gift Card**. Total Tier Two compensation is subject to a \$2 million ceiling and no floor. That means that if the total value of all of the Gift Cards in Tier Two exceeds \$2 million, each gift card will be reduced in value on a *pro rata* basis until the total value distributed is \$2 million.

### **TIER THREE**

Class Members who experienced an actual or attempted fraudulent transaction on their credit or debit card and have actual out-of-pocket losses in connection with such actual or attempted fraudulent transaction reasonably attributable to the Data Security Incident are entitled to a Tier Three payment. Tier Three claimants must provide: (a) reasonable proof of a credit or debit card purchase at Wawa between March 4, 2019 and December 12, 2019; (b) reasonable proof of an actual or attempted fraudulent transaction on the same card after the Wawa purchase, or a reversal of a fraudulent transaction that occurred after the date of purchase; and (c) reasonable proof of the resulting actual out-of-pocket expense(s) or loss.

Actual out-of-pocket expenses and losses may include, but are not limited to:

- Unreimbursed fraud charges;
- Bank fees;
- Replacement card fees;

**Questions? Call (866) 817-4934 or visit [www.WawaConsumerDataSettlement.com](http://www.WawaConsumerDataSettlement.com).**

- Late fees from transactions with third parties that were delayed due to fraud or card replacements;
- Credit freeze fees;
- Parking expenses or transportation expenses for trips to a financial institution to address fraudulent charges or receive a replacement card; or
- Other expenses reasonably attributable to the Data Security Incident.

Reasonable forms of proof of an out-of-pocket expense may include:

- A receipt;
- A bank statement or credit card statement;
- A screen shot from a bank account or credit card account;
- An email or other correspondence with a bank, credit card issuer, merchant or vendor;
- A police report; or
- Any other reasonable form of proof.

Acceptable forms of proof of a Wawa purchase and an actual or attempted fraudulent transaction are described in Tier One and Tier Two above.

Tier Three claimants will be entitled to a cash payment (not a Wawa Gift Card) equal to their out-of-pocket expenses or losses **up to \$500**. Tier Three compensation is subject to a \$1 million ceiling and no floor. That means that if the aggregate value of valid claims exceeds \$1 million, the amount of individual distributions will be reduced on a *pro rata* basis.

**Each Class Member is only entitled to make one claim, regardless of how many debit or credit cards they used at Wawa during the Period of the Security Incident and regardless of how many times they used the card at Wawa. Class Members are not entitled to more than one form of recovery.**

## 2. What data security improvements has Wawa agreed to implement?

For a period of two years after the Settlement is approved by the Court, Wawa agrees to an injunction which requires it to: (a) retain a qualified security assessor on an annual basis to assess compliance with payment card industry requirements and issue a Report on Compliance evidencing compliance with all requirements; (b) conduct annual penetration testing and remediate critical vulnerabilities or implement compensating controls; (c) encrypt payment card information and comply with EMV security procedures at point of sale terminals in Wawa stores; (d) implement EMV security procedures at Wawa fuel pumps; and (e) maintain written information security programs, policies, and procedures. These enhancements, along with other enhancements made prior to the settlement and attributed in part to this litigation, are valued at no less than \$35 million. Class Members do not need to submit a claim form in order to receive this benefit under the settlement.

## 3. How does the Wawa Gift Card work?

Wawa will email electronic Wawa Gift Cards to Class Members at the email address provided in the Claim Form for members of Tier One and Tier Two. If Class Members do not have an email account of their own, they can provide an alternative email account of a friend or family member who can receive the electronic Gift Card on that Class Member's behalf. The Gift Card will be in electronic form and can either be scanned in-store directly from a Class Member's smartphone or may be printed out and scanned in hard copy. The Gift Cards shall be fully transferable, shall not expire in less than one year, and shall be usable toward the purchase of any item (including fuel paid for inside the store) sold at Wawa stores or fuel pumps, other than cigarettes and other tobacco or nicotine products. The Wawa Gift Cards may be used multiple times if the initial transaction is less than their full face value.

## HOW TO GET BENEFITS

### 4. How do I get my Gift Card or cash compensation?

To receive a Gift Card or cash payment, you must complete and submit the appropriate Tier Claim Form with supporting documentation. Claim Forms are available on this website: [www.WawaConsumerDataSettlement.com](http://www.WawaConsumerDataSettlement.com), by clicking the links at the beginning of this Notice, or you may have one mailed to you by calling 1-866-817-4934. Claim Forms will also be accessible by scanning a QR code at all Wawa locations between [dates], which will link to the Settlement Website containing hyperlinks to the Claim Forms. Read the instructions carefully, fill out the Claim Form, and submit it online by **Month Day, 2021** or print it out and mail it postmarked no later than **Month Day, 2021** to:

Wawa Consumer Data Settlement  
P.O. Box 43502  
Providence, RI 02940-3502

Claim forms and supporting documentation can also be emailed to  
[info@WAWAConsumerDataSettlement.com](mailto:info@WAWAConsumerDataSettlement.com).

### 5. When will I receive my payment?

If you submit a complete, valid, and timely Claim Form, the Claims Administrator will send your Gift Card or cash payment to you after the Court grants final approval of the Settlement and any appeals have been exhausted. Please be patient as this process may take some time. Neither Wawa, the Claims Administrator, nor Class Counsel has control over how long it may take to receive your Gift Card or cash payment. The Claims Administrator may require additional information from any claimant if the original claim submission is deficient.

### 6. What am I giving up to stay in the Settlement Class?

Unless you exclude yourself from the Settlement, you cannot sue Wawa for the Data Security Incident resolved by this Settlement. The specific claims you are giving up against Wawa are described in Section XIII of the Settlement Agreement. You will be “releasing” Wawa and all related people or entities as described in Section XIII of the Settlement Agreement. The Settlement Agreement is available at [www.WawaConsumerDataSettlement.com](http://www.WawaConsumerDataSettlement.com).

The Settlement Agreement describes the released claims very specifically, so please read it carefully. If you have any questions, you can contact the law firms listed in Question 7 for free or you can consult your own lawyer at your own expense if you have questions about what the release means.

## EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want to receive compensation from this settlement, but you want to keep the right to sue Wawa on your own and at your own expense about the Data Security Incident, then you must take steps to get out of the Settlement Class. This is called excluding yourself from—or is sometimes referred to as “opting out” of—the Settlement Class. If you opt out of the Settlement Class, you will not be bound by any judgment in this case. You must exclude yourself from the Settlement Class to pursue any other lawsuit against Wawa for the claims arising in this case. **IF YOU EXCLUDE YOURSELF FROM THE SETTLEMENT, YOU WILL NOT BE ENTITLED TO RECEIVE MONETARY COMPENSATION FROM THE SETTLEMENT.**

Questions? Call (866) 817-4934 or visit [www.WawaConsumerDataSettlement.com](http://www.WawaConsumerDataSettlement.com).

## 7. How do I exclude myself from the Settlement Class?

To exclude yourself, you must send a letter by U.S. Mail saying you wish to do so. Your “Request for Exclusion” must include:

- The name of this lawsuit (*In re Wawa, Inc. Data Security Litigation* (“Consumer Track”), No. 19-cv-6019-GEKP (E.D. Pa.));
- Your name and address;
- A statement requesting exclusion from the Class; and
- Your signature

You must mail your Exclusion Request postmarked by **Month Day, 2020**, to:

Wawa Settlement Exclusions  
P.O. Box 43502  
Providence, RI 02940-3502

## THE LAWYERS REPRESENTING YOU

### 8. Do I have a lawyer in this case?

Yes. The Court appointed the following lawyers as “Class Counsel”: Sherrie R. Savett of Berger Montague, PC, 1818 Market Street, Suite 3600, Philadelphia, PA 19103; Benjamin F. Johns of Chimicles Schwartz Kriner & Donaldson-Smith LLP, 361 W. Lancaster Avenue, Haverford, PA 19041; Roberta D. Liebenberg of Fine, Kaplan and Black, R.P.C., One South Broad Street, 23<sup>rd</sup> Floor, Philadelphia, PA 19107; and Linda P. Nussbaum of Nussbaum Law Group, P.C., 1211 Avenue of the Americas, 40<sup>th</sup> Floor, New York, NY 10036. You will not be charged for these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

### 9. How will the lawyers be paid?

Class Counsel will ask the Court to award \$3.2 million for attorneys’ fees, litigation costs, and the cost of the third-party Claims Administrator. The attorneys’ fees will compensate Class Counsel for their role in obtaining both the monetary relief and improvements in Wawa’s data security practices. Class Counsel will also ask the Court to approve a \$1,000 service award for each of the 14 Class Representatives for their efforts in litigating this case on behalf of the Settlement Class. One of these Class Representatives was a plaintiff in a related case in New Jersey state court, which is included in this settlement. Any amount that the Court awards for these collective items will be paid directly by Wawa, and will not reduce the amount made available to compensate Class Members.

## OBJECTING TO THE SETTLEMENT

### 10. How do I tell the Court that I do not like the Settlement?

You can object to the Settlement if you do not like it or some part of it and think that it should not be approved. The Court will consider your views. To do so, you must submit your written objection to the Clerk of Court and the Claims Administrator at the addresses below.

Your objection must include the following:

- The name of the lawsuit (*In re Wawa, Inc. Data Security Litigation* (“Consumer Track”), No. 19-cv-6019-GEKP (E.D. Pa.));
- Your full name, address, telephone number, e-mail address (if any), and signature;

**Questions? Call (866) 817-4934 or visit [www.WawaConsumerDataSettlement.com](http://www.WawaConsumerDataSettlement.com).**

- Information confirming that you are a member of the Settlement Class (for example, proof of a credit or debit card purchase at a Wawa store or fuel pump during the Period of the Security Incident);
- The specific reasons for your objection;
- A statement as to whether your objection only applies to you, or to a specific subset of the class, or applies to the entire class;
- The names and addresses of all lawyers representing you in connection with the objection (if any);
- A statement as to whether you and/or your lawyer intend to appear at the Fairness Hearing; and
- A list, by case name, court, and docket number, of all other cases in which you and/or your lawyer(s) have filed an objection to any proposed class action settlement within the last five (5) years.

You may (but are not required to) include copies of any documents you wish to submit in support of your position, and any legal support for your objection that you believe is applicable.

You must mail the objection to both the Court and the Settlement Administrator at the following addresses, and it must be postmarked no later than **XXXX**:

THE COURT	SETTLEMENT ADMINISTRATOR
Office of the Clerk United States District Court for the Eastern District of Pennsylvania U.S. Courthouse 601 Market Street, Room 2609 Philadelphia, PA 19106	Wawa Settlement Objections P.O. Box 43502 Providence, RI 02940-3502

#### 11. What is the difference between objecting and asking to be excluded?

Objecting is telling the Court you do not like the Settlement and why you think it, or parts of it, should not be approved. You can object only if you do not exclude yourself from the Class. Excluding yourself is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

### FINAL APPROVAL HEARING

#### 12. When and where will the Court decide whether to approve the Settlement?

The Judge presiding over this matter, the Hon. Gene E.K. Pratter, will hold a Fairness Hearing at **\_\_\_:\_\_\_ .m. on Month Day, 2021**, at the United States District Court for the Eastern District of Pennsylvania, located at the James A. Byrne U.S. Courthouse, 601 Market Street, Philadelphia, PA 19106, Courtroom 10613. The hearing may be moved to a different date or time without additional notice, so it is a good idea to check [www.WawaConsumerDataSettlement.com](http://www.WawaConsumerDataSettlement.com) or call 1--866817-4934 for any updates about the hearing. The Court may also allow participation at this hearing via video or phone in light of the COVID-19 pandemic. At the hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. The Court will also consider how much Class Counsel will receive in attorneys' fees and expense reimbursement, payment for settlement administration costs, and the request for service awards for the Class Representatives. If there are timely objections, the Court will consider them. The Court may listen to people who have asked to speak at the hearing (see Question 10). After the hearing, the Court will decide whether to approve the Settlement. We do not know how long these decisions will take.

13. Do I have to attend the hearing?

No. Class Counsel will answer any questions the Court may have. You or your own lawyer are welcome to attend at your expense. If you send an objection, you do not have to come to the Court to talk about it. As long as you submitted your written objection on time and mailed it according to the instructions provided in Question 10, the Court will consider it.

**Wawa and Attorneys for Consumers Announce Settlement  
in Class Action Litigation Related to Data Security Incident Announced in 2019**

**[INSERT DATE, LOCATION]** – Wawa and a group of consumers today announced a settlement of litigation stemming from the data security incident Wawa previously announced in December of 2019.

The agreement announced today, which is subject to Court approval, resolves all customer claims related to that data security incident, which resulted from malware being discovered on Wawa payment processing servers. The malware affected customer payment card information used at most Wawa locations beginning at different points in time after March 4, 2019 and until it was contained on December 12, 2019. Customers who used a credit or debit card at Wawa stores or fuel pumps can participate in the settlement and obtain Wawa gift cards capped at \$8 million in aggregate, and cash reimbursements of out-of-pocket costs capped at \$1 million in aggregate. Settlement claims can be submitted by visiting [www.WawaConsumerDataSettlement.com](http://www.WawaConsumerDataSettlement.com) run by KCC LLC. The settlement also requires Wawa to implement and continue to maintain significant enhancements to its data security measures.

Counsel for the consumer class stated: “We feel this settlement is an excellent result for the class, providing a range of benefits to consumers. The settlement compensates three types of customers via different monetary awards – those who used their cards at Wawa and did not experience fraudulent charges on their cards and who spent time monitoring their payment card or other accounts, those who did experience fraudulent charges on their cards, and those who incurred out-of-pocket costs as a result of the data breach. The settlement also provides valuable remedial relief aimed at preventing similar breaches in the future.”

In response to the announced agreement, Wawa stated: “We are focused on a timely resolution for Wawa customers who may have been affected by this incident, and this settlement allows us to just do that. At Wawa, the people who come through our doors every day are not just customers, you are our friends and neighbors, and nothing is more important than honoring and protecting your trust. We can assure you that we have continued to and will work diligently to protect your information and enhance our cybersecurity resiliency.”

IN RE WAWA, INC. DATA SECURITY  
LITIGATION

Case No. 19-6019-GEKP

Class Action

*This document relates to: Consumer Track*

**[Proposed]**  
**ORDER PRELIMINARILY APPROVING CLASS ACTION SETTLEMENT,**  
**PROVISIONALLY CERTIFYING SETTLEMENT CLASS, AND DIRECTING THE**  
**ISSUANCE OF NOTICE**

WHEREAS, Plaintiffs Kenneth Brulinski, Kelly Donnelly Bruno, Amanda Garthwaite, Marisa Graziano, Tracey Lucas, Marcus McDaniel, Joseph Muller, April Pierce, Nicole Portnoy, Nakia Rolling, Eric Russell, Michael Sussman, and Charmissha Tingle (together, “Consumer Track Plaintiffs” or “Plaintiffs”) brought claims in this Court on behalf of themselves and all similarly situated persons, and have entered into a Settlement Agreement with Defendant Wawa, Inc. (“Wawa”) dated \_\_\_\_\_, 2021 (Dkt. \_\_\_\_ ) (the “Settlement Agreement”);

WHEREAS, plaintiff Kasan Laster brought a separate action in the Superior Court of New Jersey asserting claims that are substantially similar to those brought by the Consumer Track Plaintiffs, and that action, *Laster v. Wawa, Inc.*, No. BUR-L-000037-20, has been stayed pending the outcome of the settlement between Wawa and the Consumer Track Plaintiffs;

WHEREAS, on \_\_\_\_\_, 2021, pursuant to Rule 23(e) of the Federal Rules of Civil Procedure, the Plaintiffs filed the [Consumer Track Plaintiffs’ Motion for an Order Preliminarily Approving the Proposed Class Action Settlement, Provisionally Certifying the Settlement Class,

and Directing Notice to the Proposed Settlement Class] (Dkt. \_\_\_\_ ) and a memorandum of law in support of same (Dkt. \_\_\_\_ ) (together, the “Motion”); and

WHEREAS, unless otherwise defined herein, all capitalized terms have the same meanings as set forth in the Settlement Agreement;

NOW, IT IS HEREBY ORDERED AS FOLLOWS:

**A. Preliminary Approval of the Settlement**

1. The Court has assessed the fairness, reasonableness, and adequacy of the Settlement and finds that, at the final approval stage, the Court “will likely be able to” approve the Settlement under the criteria set forth in Federal Rule of Civil Procedure 23(e)(2), and certify the Settlement Class under the criteria set forth in Fed. R. Civ. P. 23(a) and 23(b)(3), and that therefore notice to Settlement Class Members is warranted.

2. The Court therefore preliminarily approves the Settlement on the terms set forth in the Settlement Agreement, subject to further consideration at the Final Approval Hearing. *See* Fed. R. Civ. P. 23(e)(1)(B)(i)-(ii).

**B. Appointment of the Settlement Administrator**

3. The Court has considered the background information related to the Settlement Administrator proposed by Plaintiffs, and hereby appoints KCC LLC to serve in this position. The Settlement Administrator shall conduct the settlement administration procedures set forth in the Settlement Agreement.

4. Pursuant to the Settlement Agreement, the cost of the Settlement Administrator’s services, and all other reasonable costs of settlement administration, shall be paid out of a lump sum fund that Wawa has agreed to pay for all of the following: settlement administration

services, any attorneys' fees and expenses awarded by the Court, and any service awards to Class Representatives that the Court may authorize.

**C. Approval of the Settlement Notice and Notice Program**

6. Pursuant to Rules 23(c)(2)(B) and 23(e)(1) of the Federal Rules of Civil Procedure, the Court approves the form, substance, and requirements of the Notice Program as defined and described in the Settlement Agreement, including the Claim Forms attached as Exhibit A to the Settlement Agreement, Long Form Notice attached as Exhibit B to the Settlement Agreement, Store Notice attached as Exhibit C to the Settlement Agreement, Press Release attached as Exhibit D to the Settlement Agreement, and the Settlement Website discussed in the Settlement Agreement. The Notice Program shall commence within thirty days of the entry of this Order.

7. The Long Form Notice reasonably explains Settlement Class Members' rights and responsibilities, and adequately details the nature of the action; the Settlement Class definition; how to file a claim; Settlement Class Members' rights to make an appearance with an attorney, request exclusion from the Settlement Class and object to the Settlement; the scope of the release of Wawa; and the binding effect of a Class judgment. *See* Fed. R. Civ. P. 23(c)(2)(B)(i)-(vii).

5. The Long Form Notice also explains that Class Counsel may request up to \$3,200,000 in the aggregate for attorneys' fees, reimbursement of expenses, the costs of settlement administration, and service awards of \$1,000 for each Class Representative.

6. The Court finds that the Notice Program approved by this Order meets the requirements of Rule 23 of the Federal Rules of Civil Procedure and due process, is reasonable, and constitutes the best notice practicable under the circumstances.

**D. Provisional Certification of the Settlement Class**

7. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, the Court provisionally certifies, for settlement purposes only, the following Settlement Class:

All residents of the United States who used a credit or debit card at a Wawa location at any time during the Period of the Data Security Incident of March 4, 2019 through December 12, 2019. Excluded from the Settlement Class are Wawa's executive officers and the Judge to whom this case is assigned.

8. The Court finds, for settlement purposes only, that the Settlement Class meets all prerequisites for class certification under Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure, including: (a) the Settlement Class is so numerous that joinder of all members is impracticable; (b) there are questions of law and fact common to the Settlement Class; (c) the claims of the representative parties are typical of the claims of the class; (d) Plaintiffs and their counsel are capable of fairly and adequately protecting the interests of the Settlement Class; (e) common questions of law and fact predominate over questions affecting only individual Settlement Class Members; and (f) certification of the Settlement Class is superior to other available methods for the fair and efficient resolution of the claims of Settlement Class Members. The Court adopts the reasoning set forth in Plaintiffs' memorandum of law in support of the motion for preliminary approval of the Settlement.

9. For settlement purposes only, the Court appoints Kenneth Brulinski, Kelly Donnelly Bruno, Amanda Garthwaite, Marisa Graziano, Tracey Lucas, Marcus McDaniel, Joseph Muller, April Pierce, Nicole Portnoy, Nakia Rolling, Eric Russell, Michael Sussman, Charmissa Tingle, and Kasan Laster as Settlement Class Representatives.

12. Pursuant to Federal Rule 23(g)(3), the Court appoints Sherrie Savett of Berger Montague PC, Benjamin Johns of Chimicles Schwartz Kriner & Donaldson-Smith LLP, Roberta Liebenberg of Fine, Kaplan and Black, R.P.C., and Linda Nussbaum of Nussbaum Law Group,

P.C. as Class Counsel. Class Counsel shall ensure that the Notice Program and Claims Administration services contemplated by the Settlement Agreement are implemented.

13. The Court approves the Opt-Out and Objection procedures detailed in the Settlement Agreement.

14. Any Class Members who wish to exclude themselves from the Settlement Class must follow the Opt-Out procedures described in the Long Form Notice, including filing any Opt-Out Request by the Opt-Out Deadline specified below. Any Class Members who exclude themselves from the Settlement Class are not eligible to object to the Settlement.

15. Any Settlement Class Members who wish to object to the Settlement must follow the objection procedures described in the Long Form Notice, including filing any Objection by the Objection Deadline specified below.

10. At least thirty (30) calendar days prior to the Final Approval Hearing, Wawa shall file with the Court proof of its compliance with the requirements of the Class Action Fairness Act, 28 U.S.C. § 1715(b) as to service of notice of the proposed Settlement upon the appropriate state and federal officials.

11. Pursuant to Federal Rule 23(e)(2), the Court will hold a Final Approval Hearing on the date and time set forth below in Courtroom 10B of the United States Courthouse, 601 Market Street, Philadelphia, PA 19106 for the following purposes:

a. to determine whether the proposed Settlement is fair, reasonable, and adequate and should be granted final approval by the Court pursuant to Rule 23(e) of the Federal Rules of Civil Procedure;

b. to determine whether the Settlement Class should be finally certified under Federal Rules of Civil Procedure 23(a) and 23(b)(3);

c. to determine whether a Final Judgment should be entered dismissing the claims of the Settlement Class against Defendant with prejudice, as required by the Settlement Agreement;

d. to consider the request for service awards to the Class Representatives;

e. to consider Class Counsel's motion for an award of attorneys' fees, litigation expenses, and payment of settlement administration expenses;

f. to consider any objections submitted by Settlement Class Members; and

g. to consider such other matters as the Court may deem appropriate.

**E. Schedule for Motion for Final Approval and Final Approval Hearing**

12. The Court establishes the following schedule for future settlement approval events:

<b>Event</b>	<b>Time for Compliance</b>	<b>Date</b>
Creation of Settlement Website	30 days after entry of Preliminary Approval Order	_____, 2021

FOR THE EASTERN DISTRICT OF PENNSYLVANIA

IN RE WAWA, INC. DATA SECURITY  
LITIGATION

Case No. 19-6019-GEKP

Class Action

*This document relates to: Consumer Track*

[Proposed]  
FINAL ORDER AND JUDGMENT

**AND NOW**, this \_\_\_\_ day of \_\_\_\_\_, 2021, upon consideration of [Plaintiffs' Motion for Final Approval of Class Action Settlement] (Dkt. No. \_\_) and [Plaintiffs' Motion for an Award of Attorneys' Fees, Reimbursement of Expenses, Service Awards, and Expenses of Settlement Administration] (Dkt. No. \_\_\_\_), and following a Final Approval Hearing held on \_\_\_\_\_, in accordance with Federal Rule of Civil Procedure 23, it is **ORDERED** that both Motions (Dkt. No. \_\_ and Dkt. No. \_\_\_\_ ) are **GRANTED** as outlined in this Order.

Based on the Court's review of the proposed Settlement Agreement between the Consumer Track Plaintiffs and Defendant Wawa, Inc. ("Wawa"), the entire record of this case, and the evidence presented at the Final Approval Hearing on this matter, the Court makes the following findings:

1. The Court has jurisdiction over the subject matter of this action.
2. Unless otherwise defined in this Order, all capitalized terms have the same meanings as set forth in the Settlement Agreement.

3. On December 19, 2019, Wawa disclosed a data security incident that allowed malware to access payment card information, including credit and debit card numbers, card expiration dates, and cardholder names, from debit and credit cards used at Wawa stores and fuel dispensers from March 4, 2019 until December 12, 2019 (the “Data Security Incident”). Several proposed class actions that Wawa customers filed against Wawa as a result of the Data Security Incident were consolidated in the “Consumer Track” in this Court.

4. Wawa and the Consumer Track Plaintiffs later entered into a Settlement Agreement at a mediation presided over by the Honorable Diane M. Welsh (Ret.) of JAMS. The settlement resolves the claims asserted in the Consumer Plaintiffs’ Consolidated Class Action Complaint (Dkt. 132) (hereinafter “Complaint”), including claims that the members of the proposed Settlement Class were harmed because Wawa failed to implement data security measures to adequately protect the sensitive, non-public payment card information entrusted to it by its customers.

5. On \_\_\_\_\_, 2021, the Court entered an order (Dkt. \_\_\_\_ ) (“Preliminary Approval Order”) that, among other things: (a) preliminarily approved the Settlement pursuant to Rule 23(e) of the Federal Rules of Civil Procedure; (b) provisionally certified a Settlement Class; (c) provisionally appointed Plaintiffs as Settlement Class Representatives; (d) provisionally appointed Class Counsel; (e) approved the form and manner of notice to the Settlement Class and directed that the Notice Program set forth in the Settlement Agreement be implemented; (f) set deadlines for filing settlement claims, objecting to the Settlement, and submitting requests for exclusion from the Settlement Class; (g) approved and appointed the Settlement Administrator; and (h) set the date for the Final Approval Hearing.

6. The Court has considered all the documents filed in support of the Settlement, all objections to the Settlement received by the Court, all exhibits and affidavits filed in this matter, all other papers and documents comprising the record herein, and all oral arguments presented to the Court at the Final Approval Hearing, and has fully considered all matters raised by the Parties.

7. Notice required by Fed. R. Civ. P. 23(c)(2)(B) and 23(e) has been provided in accordance with the Court's Preliminary Approval Order. Such notice constituted, under the circumstances, the best practicable notice of the Settlement, and constituted due and sufficient notice for all other purposes to all persons entitled to receive notice.

8. Wawa has filed papers with the Court indicating that it provided notification of the Settlement to the appropriate federal and state officials pursuant to the Class Action Fairness Act of 2005, 28 U.S.C. § 1715.

9. The Settlement Agreement provides, in part, and subject to a more detailed description of the settlement terms in that Agreement, for:

- a. a process for Settlement Class Members to submit claims for direct settlement benefits in the form of Wawa Gift Cards or reimbursement of certain out-of-pocket monetary expenses reasonably attributable to the Data Security Incident;
- b. injunctive relief regarding Wawa's data security policies and practices; and
- c. upon Court approval, payment of \$3.2 million by Wawa for:
  - i. the costs of settlement administration;
  - ii. service awards of up to \$1,000 to each of the Settlement Class Representatives, and

- iii. such attorneys' fees and reimbursement of expenses as may be awarded by the Court.

10. The Court, having reviewed the terms of the Settlement Agreement and considered the requirements of Federal Rule of Civil Procedure 23(e)(2), finds that:

- a. the Settlement is fair, reasonable and adequate;
- b. the Class Representatives and Class Counsel have adequately represented the interests of the Class;
- c. the Settlement was negotiated at arm's length by experienced counsel;
- d. the relief provided for the Class is adequate, taking into account:
  - i. the costs, risks, and delay of trial and appeal;
  - ii. the effectiveness of the proposed method of distributing relief to the Class, including the method of processing class-member claims;
  - iii. the terms of the requested award of attorneys' fees, including timing of payment; and
  - iv. the lack of any separate agreement to be identified under Rule 23(e)(3); and
- e. the Settlement treats Class Members equitably relative to each other.

11. The Court grants final approval of the Settlement Agreement, including the plan of allocation, pursuant to Fed. R. Civ. P. 23(e) as fair, reasonable, and adequate within the meaning of Fed. R. Civ. P. 23, and directs the Parties to consummate the Settlement Agreement in accordance with its terms.

12. The Court certifies the following Settlement Class: "All residents of the United States who used a credit or debit card at a Wawa location at any time during the Period of the

Data Security Incident of March 4, 2019 through December 12, 2019. Excluded from the Settlement Class are Wawa's executive officers and the Judge to whom this case is assigned."

13. The Court confirms the appointment of Kenneth Brulinski, Kelly Donnelly Bruno, Amanda Garthwaite, Marisa Graziano, Tracey Lucas, Marcus McDaniel, Joseph Muller, April Pierce, Nicole Portnoy, Nakia Rolling, Eric Russell, Michael Sussman, Charmissa Tingle, and Kasan Laster as the Settlement Class Representatives.

14. Pursuant to Federal Rule 23(g)(3), the Court confirms the appointment of Sherrie Savett of Berger Montague PC, Benjamin Johns of Chimicles Schwartz Kriner & Donaldson-Smith LLP, Roberta Liebenberg of Fine, Kaplan and Black, R.P.C., and Linda Nussbaum of Nussbaum Law Group, P.C. as Class Counsel for the Settlement Class.

15. The persons identified on Exhibit A to this Order submitted timely and valid requests to exclude themselves from the Settlement Class and therefore are excluded from the Settlement, shall receive no compensation under the Settlement, shall gain no rights from the Settlement, and shall not be bound by the Settlement or the Release.

16. As of the Effective Date as defined in the Settlement Agreement, Plaintiffs and the Settlement Class Members shall release Wawa and all Released Parties, as defined in the Settlement Agreement, from all claims, demands, judgments, actions, suits and/or causes of action, whether federal or state, known or unknown, asserted or unasserted, regardless of legal theory, arising in any way from or in any way related to the facts, activities, or circumstances alleged in the Consolidated Class Action Complaint or arising from or related in any way to the Data Security Incident, up to the Effective Date of the Settlement Agreement (the "Release" or "Released Claims"). All Releasers are enjoined from pursuing any Released Claims against any Released Parties in any litigation or other forum. The Release shall not release any claims,

whether pending or not, whether known or unknown, for product liability, personal injury, breach of warranty, violation of the Uniform Commercial Code, civil rights, or any other claims whatsoever that were not or could not have been alleged in the Consumer Track Action that are not related to the Data Security Incident or subject matter of the Consumer Track Action.

17. Released Claims shall not include the right of any Settlement Class Member or any of the Released Parties to enforce the terms of the Settlement contained in the Settlement Agreement.

18. The Consumer Track Action is hereby dismissed with prejudice and, except as explicitly provided for in the Settlement Agreement, without costs to any party.

19. Plaintiffs filed a [Motion for Attorneys' Fees, Reimbursement of Expenses, Costs of Settlement Administration, and Service Awards] (Dkt. \_\_\_\_ ) requesting that this Court award the full \$3.2 million contemplated in the Settlement Agreement for the costs of settlement administration, service awards to the Settlement Class Representatives, and an award of attorneys' fees and reimbursement of expenses. The Court finds Plaintiffs' requests reasonable, grants the motion, and approves the payment by Wawa of a \$3.2 million lump to be used by Class Counsel for:

- a. Service Awards of \$1,000 to each of the 14 Settlement Class Representatives;
- b. Payment of the costs of settlement administration;
- c. Payment of attorneys' fees to Class Counsel; and
- d. Reimbursement of Class Counsel's reasonable litigation expenses.

20. Co-Lead Counsel shall have the discretion to allocate any attorneys' fees and expenses among themselves and other plaintiffs' counsel that performed common benefit work in the Consumer Track action, as set forth in the Settlement Agreement at ¶ 80.

21. In accordance with Fed. R. Civ. P. 23, this Final Approval Order and Judgment is a final order.

22. Under Fed. R. Civ. P. 54(b), the Court finds there is no just reason to delay the entry of final judgment in this matter and directs the Clerk to enter this order as the final judgment in this matter.

23. Without affecting the finality of this Final Approval Order and Judgment in any way, the United States District Court for the Eastern District of Pennsylvania shall retain jurisdiction over the Settlement, the Settlement Agreement, enforcement of Court orders relating to the Settlement and the Settlement Agreement, and the administration and consummation of the Settlement. The Court shall have exclusive jurisdiction over any suit, action, motion proceeding, or dispute arising out of or relating to the Settlement Agreement or the applicability of the Settlement Agreement that cannot be resolved by negotiation and agreement by the Parties.
